HIGH INTENSITY DRUG TRAFFICKING AREA

Operational Red Flags for Narcotic Investigation This Class is Free

DATE & TIME - Thursday, June 15, 2023 8AM to 4PM

LOCATION – Oregon Public Safety Academy; C125
4190 Aumsville Hwy, Salem, OR 97317

SYNOPSIS

This class will cover the warning signs officers must consider when planning and executing undercover narcotics operations, the signs that a suspect is planning to rip off law enforcement and the indicators of impending violence. This training will utilize scenario-based review of previous incidents to identify the indicators that should dictate an operation be paused or canceled to keep officers and informants safe. Integrating proper de-confliction protocols and introduction to operations such as buy walks, buy busts, flashes, surveillance, UC meetings and reverses will be covered. Officers will have a good general understanding of the primary indicators that a suspect might be planning an attack.

INSTRUCTOR

Epi Sevillo is a retired Special Agent Supervisor and Task Force Commander. He has 34 years of public service, 4 years in the United States Marine Corps attached to a special warfare airborne combat unit and 30 years as a law enforcement veteran.
